

Theatre for Children To Stage 'Land of Oz'

A young girl's dream of a journey down a yellow brick road into the "Land of Oz" is the eighth annual production of El Camino College's theater for children which opens Friday.

Performances of the play are scheduled for Friday at 7:30 p.m.; Saturday at 10:30 a.m., 1:30, and 3:30 p.m., and Sunday at 1:30 and 3:30 p.m. in the Campus Theater.

"Since the play actually includes nine musical numbers and several dances, I prefer to call it a musical fantasy," Dr. Howard Banks, drama instructor and supervising director, said.

THE ORIGINAL story, "The Land of Oz," was written by Fred Baum, author of "The Wizard of Oz." The story was dramatized by Mrs. Dulce Odriozola, who also wrote the

music, except for the finale which was composed by ECC music student Peter Lebel. "The music is very good and in keeping with the development of the characters and the telling of the story," Banks commented.

The two-act play is directed by student director Tom Eberhardt. He is assisted by choreographer Sandy Frederick, who is also a dancer in the production.

PLAYING THE lead character of Tip will be Sherry Scheider, while opposite her will be John Kurtz as Mombi. Other main characters include Dave Haight, as Jack,

and Tom Gasparotti as the lion.

"Although the play is especially geared for youngsters, children of all ages will enjoy the tale because Baum offers something worth thinking about to the audience. At the end of the play, all the characters realize the depth and meaning of friendship; perhaps the audience will too," Banks noted.

Tickets are on sale at the student store. They also will be sold at the box office prior to the performance as available. Admission is 75 cents. There are no reserved seats.

Chorale To Stage 'Sing-in'

Los Cancioneros 18th annual Spring Concert will present an original satire, directed by Mrs. Thomas Mabin June 2 and 3 at 8:30 p.m. in the Malaga Cove School auditorium in Palos Verdes.

To offset the current "love-in" and "sit-in" demonstrations, explains Mrs. David Kirbach, press chairman, the choral group will stage a "sing-in," complete with hippie posters, mod costumes, hillbillie instruments, and musical parodies.

The program will also feature a variety of choral music including sacred music of the 17th, 18th, and 19th centuries, folk songs, and contemporary choral interpretations of the poetry of Robert Frost and Carl Sandburg.

The show was written, staged, and produced by Mmes. Hugh Pendleton, Al Reed, Joseph Young, and Bob Helmes. Concert Coordinators are Mmes. Bill Muldoon, Harold Bothwell and Robert McCulloch.

Concert Planned

Anza Elementary School band and chorus will present a music festival at a school assembly tomorrow.

Under the direction of Philip Korman, principal, the chorus will sing "The Happy Wanderer," "Lara's Theme," "Zorba's Dance," "Hi-Lili, Hi-Lo," and "Fiddler on the Roof."

Directing both the beginning and the advanced bands will be Francis J. Snyder, music teacher.

THE BEGINNING band will perform "Skating Waltz" by Freeman, "Bells of Avon" by Whitney, "Little Polka" by Sackett, and "Alpha March" by Freeman.

Renditions by the advanced band will include: "Grand Old Flag" by Cohan, "Evening Star" by Wagner, "Band Tango" by Poyhas, "Pizzicato Polka" by Strauss, "Chanson" by Kinyon, and "El Relicario" by Podilla.

John Lee will narrate "Whodunnit?" by Poyhas. The program will conclude with "Born Free" by Black and Barry, featuring both the band and chorus.

Area Company To Buy Firms

Directors of Fansteel Metallurgical Corp. have approved acquisition of Advance Casting Corp. and its subsidiary, McClelland Enterprises, Inc., both of Santa Monica.

Fansteel, headquartered in Chicago, operates a plant in Torrance. Acquisition of the two firms is subject to approval of the California Securities Commission and the Internal Revenue Service.

Redondo Honors Teacher

Claudia Lukes was presented the second annual Golden Apple Award by the Redondo Beach City Teachers' Association at the group's annual Installation Banquet Monday at the Indian Village Restaurant.

In presenting the award, President Beryl Albert called Mrs. Lukes an "individual Chamber of Commerce" because of her proven love for her community and its citizens.

The award, presented annually by the educators organization is recognition of outstanding personal achievement and service to youth and education in Redondo Beach.

HOW TO EARN MORE THAN 5.25% ON INSURED SAVINGS

As much as 5.39%. Your original investment plus accumulated returns are compounded every single day at Southwest Savings. And "daily compounding" makes the big difference. Month by month returns grow higher and higher. In a 12-month period, for instance, you actually earn 5.39% when Southwest's current annual rate of 5.25% is maintained for a year and compounded daily. You'll do well to take advantage of daily compounding at Southwest Savings—one of the soundest, most profitable investments you can find. Open your insured savings account now—in person or by mail. Postage will be prepaid both ways.

BIG PROTECTION:—At Southwest Savings your funds are now insured up to \$15,000 by the Federal Savings and Loan Insurance Corporation, a permanent agency of the United States government. A couple can hold three accounts for a maximum of \$45,000 coverage. Or a family of three is able to have seven separate accounts insured-safe up to \$105,000. Your money is always safe, sound and high-yielding at Southwest Savings. It is a good idea to join the family of Southwest Savers today.

FULL EARNINGS:—Something new has been added to Southwest's list of benefits. Now your savings earn to the date of withdrawal when funds are left 3-months or longer and the account remains open to the end of the quarter. It all adds up to higher returns when earnings continue right up to the very last moment. Furthermore, funds received by the 10th of the month start to earn from the 1st. There is always a little extra growth-incentive at Southwest Savings.
